"FIELD OF HOPE" by  
 Isabella Bakker, 13

\*Contributions are **not tax deductible**.

*Turning feelings of despair into action, Corvallis sisters Alessandra and Isabella Bakker painted uplifting scenes of sunflowers, while sending thoughts of goodwill to Ukrainians. The teens generously donated their images to CSCA for use in fundraising, and teamed with Sharon Rackham King, a local artist who donated all art printing and packaging materials. This enables 100% of your contribution to directly support Ukrainians fleeing from war.*
